DAYLIGHT SAVINGS TIME BEGINS MARCH 14.
ST PATRICK'S DAY MARCH 17.
SPRING BEGINS MARCH 20.
EASTER SUNDAY IS APRIL 4.

The **MARCH 9TH** meeting will be held at the Burgtorf Building beginning at 7:00PM. Building is located on the south side of Kearsley High School: 4160 Underhill Dr., Flint. You will take one of three roads off of Genesee Rd. They are Hillcrest Dr., Daly Rd., or Rossway. Go EAST to Underhill Dr. GO south (right) on Underhill Dr and it will take you into the Burgtorf parking lot.

The **MARCH MEETING WILL BEGIN WITH ELECTION OF OFFICERS. LARRY SILLS WILL CONDUCT THIS PORTION OF THE MEETING.** Everything that was to be done at the February meeting will be done at the March meeting. Sookie also has a few things to discuss regarding classes that are offered by members. Classes are free to members. Make sure your dues are paid before you sign up for a class. Classes are not to be taken for granted. They are offered out of the kindness of the instructor's heart with a lot of planning and hard work and can be discontinued. When we start to take things for granted, other things began to happen that are not necessarily good, pleasant, reliable, courteous, thoughtful or understanding. More will be said at the meeting.

The regular meeting will be hands on with a demonstration and then doing a mortise and tenon joint. Gene Munsell and his helpers will provide all the wood for this hands on project. Please come early to help carry in all the tools needed. Remember if you talked with Gene and said you were going to bring a portable table saw or a portable router table then don't forget to bring it. If you need to call and check with Gene then please do so at 810-240-3710.

Did you know that in Athens, Greece, a driver's license can be taken away by law if the driver is deemed either "unbathed" or "poorly dressed?"

How bout this one: Mount Whitney , the highest mountain in the continental United States, and Zabriskien Point, the lowest point in the United States, are less than eighty miles apart.

Gene has requested that everyone be thinking about ideas for meetings and classes. We will pass out paper at the March meeting so you can write down your ideas. Remember this is an important assignment and not to be taken lightly. Your cooperation in needed. Gene is your president and a good leader but EMW is a club made up of many people and it becomes everyone's job to participate. Come prepared with ideas that you would like to see at MEETINGS. These can be Lectures, Demonstrations or Hands on. Gene is also looking for people who may like to teach a class.

The club cannot keep your interest unless you offer suggestions and talk about what kinds of projects you would like to accomplish.
